

TOWN OF HOPE
PLANNING BOARD
Minutes of Meeting March 4, 2008

Present: Bill Pearse, Jr., Juanita Hunt, Dick Brodis, Tug Kellough, Peter Sexton, Ron Smith

Meeting Called to Order: 6:36 p.m.

Minutes of previous February meeting read and accepted as written.

Old Business: Martz Subdivision; Motion was made that no further discussion would take place at meetings of Planning Board without the presence of Town of Hope's legal counsel. Discussion centered around the idea that we need to be certain of the Town of Hope's responsibility in this matter at this juncture after attempting to deal with this matter for over a year and no resolution in sight. Motion was accepted unanimously.

As of the time of this meeting, it appeared that a mid-March, (18th), meeting of the Planning Board was the next time that was available for all parties to meet including the Town of Hope's legal counsel.

Discussion was then re-opened concerning the provisions for take-out restaurants. After reviewing the various criteria from previous meetings, Ron Smith volunteered to craft a rough draft and pass it around via e-mail so that we can begin to flesh it out at forthcoming meetings. Bill Pearse volunteered to send everyone an e-mail with the addresses of all board members to help this process along. Work will recommence at the April meeting of the planning board.

No new business

Meeting was adjourned at 7:28 p.m.
