

Hope Elementary School

respect responsibility perseverance

MARCH 2025 PRINCIPAL'S REPORT

We have 16 students signed up for softball (6 from Hope).

Local artist Eric Darling visited Hope Elementary School's middle school science classes on March 6th. He shared his passion for turning discarded fishing gear into art, especially using old trap lines to create pictures. Eric also talked about microplastics and how plastic waste can be reused to make beautiful artwork. He encouraged students to see how young people can help create positive change. This was a PFE sponsored event.

March 13th is the last day for trimester 2.

Teachers have a teacher prep day on March 14th. This is a non-student day.

We have a Buddy Activity on March 14th.

Spirit Week is the week of March 24th-28th. This is organized by our Student Council.

6th grade will be visiting the Challenger Center on March 26th. This is sponsored by PFE.

Dianne O'Brien will be visiting grades 6th-8th for Author's Day.

The HES Book Fair is taking place April 10th-12th. We are once again partnering with Print, an independent Maine bookstore.

I completed my SPED Law class.

We welcome Ruth Harwood as our new SPED Ed Tech III. Ms. Harwood will be working in the middle school wing.
