New Business:

- Ambulance Service Provider Contract with NEMHS: The Selectmen were given a copy of the proposed Performance Based EMS Contract with North East Mobile Health Service. After reviewing the contract, Mike made a motion to accept the \$38,659 contract for a term of one (1) year with reservations. The Selectmen are not happy with how negotiations went and are disappointed with the final cost of the 1-year contract. If the Town did not have an ambulance contract, the residents would have to make private arrangements for ambulance service. None of the Selectmen want the Town to be without an EMS provider at this time. The motion was seconded by Wendy.

Motion passed 5-0
