

April 2021

Identify the lessons we can carry forward from the pandemic. What are the new practices and structures that are working well and could be expanded?

-staff allocation

-delivery of instruction

-space allocation

Our plan to continue with a multiage grade in the 2021-22 school year is presenting challenges. We are working on addressing the larger class sizes in different ways.

Support the school in their effort to partner, communicate with and engage the parents and the larger Hope community in maintaining academic growth during the pandemic.

Parent/Teacher conferences were successful.

We are having an issue with PowerSchool grading that we are working to resolve before the end of the year.

Support school administration in maintaining a safe and supportive environment during the pandemic for all students and staff.

I have been working with other 8th grade administrators in the Five Towns to plan for alternate ways of getting CHRHS homerooms together before the end of the year.

Other

Our current plan is for Pre-K will be a full day, four day a week program for the 2021-22 school year.

7th graders will be attending Camp Kieve for the day on April 15th where they will work on teambuilding, decision making and healthy risk-taking skills.

I am half-way through the *Multi-Tiered Systems of Support in Early Childhood Classrooms* training.

COVID Report

We have not had any additional reported positive cases within our school community.

90% of our staff have at least their first COVID shot.

We have more remote learners returning to in-person learning.

Enrollment status:
Grade: In-person, remote
PK: 16,0
K: 12, 0
1: 13, 1
MA: 13,1
2: 12,0
3: 13, 2
4: 9, 3
5: 12, 2
6: 18, 3
7: 14, 5
8: 13, 0
